Emergency Nurse Practitioner Program Admission Attestations

Attestation #1:

I, _____ attest that I have been informed at the time of admission that Family Nurse Practitioner (FNP) board certification is a requirement for completion of the Emergency Nurse Practitioner (ENP) Program at the University of Nevada Las Vegas (UNLV). FNP board certification is a prerequisite for enrollment in NURS 792E (ENP III). If I am admitted as FNP board eligible, I will not be able to register for NURS 792E (ENP III) and complete the program if I have not successfully attained my FNP board certification.
