

Below is a list of Faculty 180 sections that are used to populate the Faculty Annual Achievement Report in UNLV Folio. Review each section to make sure that the information is correct and up to date. All activities that occurred or were ongoing during the calendar year under review will be included in the report.

As noted below, some sections are populated with data that comes from other university systems of record and cannot be directly edited by you. In those cases, please contact [UNLV Folio Support](#) to report errors.
