**Total Credits at UNLV: 50+**

**Degree Total: 120**

**Director's Note:** Be responsive to UNLV email that comes to personal and student accounts until fully admitted. Students must first be admitted to UNLV before PPP eligibility review/consideration can be made; when applying to UNLV, be sure to check the PPP option at the beginning of the application. Students applying for/admitted to PPP do not need to schedule individual appointments with ESSC upon admission to UNLV; more information will be provided at the time of admission.

**PPP-Specific Information:**

- PPP program now runs application cycles for summer, fall, and spring admits.
- PPP program requirements (education courses) are completed within one calendar year (3 total semesters). Program schedule/sequence subject to change for each cohort.
- Students transferring into PPP program from CSN AA/AS/AB programs will not be required to follow the entire sequence at UNLV due to completing courses prior to UNLV admission (EDU 214, EPY 303, EDU 280, etc.).

**Major-Specific Information:**

- 6cr of college-level math can include any 100-level or higher math, except for MATH 115. MATH 122/123 strongly encouraged.
- Humanities requirements can be fulfilled by any humanities from two different subject areas.
- Full major requirements: 2.0 GPA, 15 college-level credits completed, submission of signed Praxis Core/CBEST Acknowledgement form.
- 40 upper division credits required.

**Program-Specific Licensing Information:**

- Praxis Core/CBEST exams no longer required for major, but still required for licensure. SAT (min score 1100) and ACT (min score 21) may be used in lieu of Praxis Core/CBEST for licensing. Any exam used to fulfill licensing requirements must be passed within 10 years of applying for license.
- NV licensing requires 6cr social studies. Can fulfill these 6cr through constitution requirements, HIST, GEOG, GEOL, PSY, SOC, PSC, ECON, CRJ.

## **Transfer Policies:**

### **REVISED 50/50 RULE**

- The policy stating that UNLV will only accept up to 60 credits to be transferred and applied to any specific program/major is no longer in place. Unless a college/major has a specific requirement on credit limitations i.e., Lee Business School, College of Education, transfer credits from 2-year institutions should no longer be limited to 60 credits. At least 30 credits of upper division from UNLV are now required to obtain a Bachelor's.

### **REPEAT POLICY**

- Students may retake a CSN course as often as needed to gain a better grade and, thereby, a higher grade point average. Only the highest grade received will count as part of the total CSN grade point average. All repeated courses taken at CSN will remain as part of a student's permanent academic record.  
\*PLEASE NOTE: While CSN accepts the BEST grade, UNLV accepts the LAST grade.
- To improve GPA and change the original grade the course must be repeated at the institution that it was completed. For example, if a student takes MATH 124 at CSN and receives an F the course must be repeated at CSN in order to replace the grade and improve the GPA.

### **REVERSE TRANSFER**

- Students who have earned 15 or more credits at CSN and have transferred to a four-year institution without an associate's degree may "reverse transfer" the earned credits from the four-year institution to complete an associate's degree. This process makes it possible for students to earn an associate's degree as they continue to work toward completing their bachelor's degree.

**NOTE:** Some courses that fulfill specific general education requirements at CSN may fulfill different general education requirements at UNLV. Please see a UNLV/CSN Transfer Program Advisor to confirm your choices.
