Academic Traditions and Special Honors

A BRIEF HISTORY OF THE UNIVERSITY OF NEVADA, LAS VEGAS

Since its first classes were held in the 1950s, the University of Nevada, Las Vegas (UNLV) has undergone an amazing transformation, from a dusty outpost on the south edge of town to a thriving urban research institution. Along the way, thanks to its innovative frontier spirit, UNLV has kept pace with one of the country's fastest-growing and most enterprising cities.

The university's origins were humble. In 1951, when the post-war boom had swollen the Las Vegas valley's population to more than 50,000, the University of Nevada, Reno established an extension program here. Twenty-eight students began meeting for classes in the dressing rooms of Las Vegas High School's auditorium.

In 1954, the Nevada Board of Regents founded the Southern Regional Division of the University of Nevada, popularly known as Nevada Southern. Twenty-nine students accepted degrees at the university's first commencement in 1964.

In 1969, with the Board of Regents' approval, the university adopted its current name, the University of Nevada, Las Vegas. By the following year, as Las Vegas' metropolitan population reached 275,000, UNLV enrolled more than 5,500 students.

Over the next several decades, UNLV continued this heady rate of development — erecting more than 100 buildings, developing dozens of graduate programs, creating partnerships with the community, fielding nationally ranked sports teams, founding an alumni association, promoting scholarship, establishing a fundraising foundation, and recruiting diverse and talented students from across the country. UNLV has come a long way from the high school dressing rooms that once served as its classrooms. Thanks to the dedication of faculty and staff members, students, generous donors, and Las Vegas residents, the university has much to celebrate, especially at Commencement.

ACADEMIC DRESS

The academic caps, gowns, and hoods that make the procession so colorful are part of an 800-year tradition. Academic clothing was first worn in medieval universities like Cambridge, Oxford, Paris, and Bologna. The gowns and hoods served a practical purpose in the days of unheated classrooms. The European custom was carried to America with the establishment of our own colleges and universities. In 1895 an academic code of dress was adopted, and the standards of a robe, hood, and cap were accepted by most of the colleges and universities in the United States. Different types of gowns may be distinguished in the

academic procession. The bachelor's gowns have long, pointed sleeves; the master's gowns have oblong sleeves with an arc cut away in the front. The doctoral gowns are faced with velvet and have bell-shaped sleeves with three bars of velvet.

The Oxford cap, the so-called mortarboard, has a long tassel fastened to the middle of the top that is worn hanging over the right front of the cap. Upon graduation, the tassel is moved from right to left. The hood, draped from the shoulder, denotes by its length and colors the field of study and the institution that conferred the degree.

UNIVERSITY MACE

The university mace, which has its traditions deeply rooted in history, is carried on ceremonial occasions at the head of the academic procession by the Grand Marshal, whose symbolic duty is the protection of the university, its persons, and its processes.

The mace, a long club with a ball of iron, steel, or brass at one end, was used in warfare as late as the sixteenth century. The use of the mace as an instrument of ceremony, however, began about the year 1250 in England and France. The mace is still used widely today in university ceremonies like commencements and inaugurations.

The UNLV mace, cast by UNLV art professor emeritus Michael McCollum in 1970, was created using the lost wax process. Erik Gronborg's design for the cubical head of the mace included facets depicting the university seal, a rendering of the Statue of Liberty, a likeness of Renaissance scholar Leonardo da Vinci, and a shelf of books flanked by artists' brushes.

The mace bearer for the December 17 ceremony is Brach Poston, associate professor in the Kinesiology and Nutrition Sciences department. The morning mace bearer for the December 18 ceremony is Russell Hurlburt, professor in the department of Psychology, and the mace bearer for the afternoon ceremony of December 18 is Satish C. Bhatnagar, professor in the department of Mathematical Sciences.

DISTINGUISHED NEVADAN AWARD

The Distinguished Nevadan Award is conferred by the Board of Regents of the Nevada System of Higher Education to recognize prominent individuals who are present or former residents of the State of Nevada. The award is presented for significant achievements that contribute to the cultural, economic, scientific, or social advancement of Nevada and its people and for exceptional service to the state or nation that has influenced constructively the well-being of society. The recipient receives an engraved medallion and a special certificate.

PRESIDENT'S MEDAL

The President's Medal was first conferred in 1996 on Governor Kenny Guinn. The recipients are selected by the university president to recognize individuals who have provided very special and distinguished service to the university. An engraved medallion and special certificate are presented to each honoree.

DISTINGUISHED PROFESSOR AWARD

Several years ago, the university approved a process for selecting an exceptional faculty member to hold the title of Distinguished Professor. This award is given only after very serious consideration of a highly select group of university faculty. Nominees must have demonstrated extraordinary qualities both as teachers and scholars and must have achieved national and international recognition in their fields of study.

OUTSTANDING GRADUATES

UNLV has a long-standing tradition of honoring graduating students who have made a special mark during their time at the university. Undergraduate and graduate students are selected for the honor after a semester-long nomination process. Those students highlighted during Commencement are chosen based on such factors as academic achievement, community outreach, research and creative work, and their ability to overcome adversity.

PRESIDENTIAL MEDALLION

The Presidential Medallion is the official insignia of the university president and is worn at Commencement and other ceremonies. UNLV's Presidential Medallion was given to the university by the Consolidated Students of the University of Nevada, Las Vegas in 1973. The medallion depicts the official seal of the State of Nevada in sterling silver. Links of the chain are engraved with the names of university presidents and their terms of office, symbolizing the continuity of responsibility in the office.

HONOR SOCIETY MEDALLIONS

Students who have been initiated into UNLV's chapter of Phi Kappa Phi National Honor Society may wear a bronze medallion hung on a blue ribbon. Each year Chapter 100 at UNLV invites to membership the top 10 percent of graduate students and undergraduate seniors in their college class and the top 7.5 percent of the junior class in all academic disciplines.

The Golden Key National Honor Society is open to juniors and seniors of all academic disciplines who have earned a 3.30 grade point average or higher. Golden Key is also open to graduate students in the top 15 percent of their class. Students in this honor society wear a gold medallion on a blue and gold cord.

Many disciplines have honor societies specific to their fields. Members wear their cords, pins, or medallions at Commencement.

RONALD E. MCNAIR SCHOLARS MEDALLION

The Ronald E. McNair Scholars Medallion is awarded to graduating seniors who have completed the UNLV McNair Scholars Program, in recognition of their dedication to scholarly pursuits and their already considerable research accomplishments.

CENTENNIAL MEDALLION

The Nevada Centennial Medallion is presented annually to the graduating senior earning the highest four-year scholastic average at UNLV. A total of 101 medallions were presented to the university by the Rotary Club of Las Vegas at the time of the state's centennial celebration in 1964.

GRADUATION WITH HONORS

Summa cum laude, magna cum laude, and cum laude are the designations for students graduating with a baccalaureate degree who have earned 60 credits at UNLV and have a grade point average that places them in the top 10 percent of students graduating from their college. Summa cum laude is bestowed on students who are in the top 1 percent of their college graduating class. Magna cum laude is bestowed on graduating students who are in the top 2 percent to 5 percent, and cum laude is bestowed on graduating students in the top 6 percent to 10 percent. The Honors College has different criteria for awarding honors.

The designations in the commencement program take into account both earned credits and credits in progress. Students should be aware that a final determination of honors eligibility is made after all courses are completed and final grades received. The designation that appears on a student's diploma and transcript is the accurate and final designation.

ALMA MATER

(Composed by Eric Whitacre, Lyrics by Thomas Leslie and Robyn Lemon Chapman)

Alma Mater, we praise you
For Spirit, the eternal flame.
Strength which never falters,
A tribute to your name.

Alma Mater, we thank you,
Exalted Scarlet and Gray.
Truth and wisdom from your
Standard in our minds and
hearts will stay.

Alma Mater, we cherish you.
And in days that are yet to be,
Our voices let us ever raise
In honor, U-N-L-V.

Land Acknowledgement Statement

The University of Nevada, Las Vegas wishes to acknowledge and honor the Indigenous communities of this region, and recognize that the university is situated on the traditional homelands of the Nuwuvi, Southern Paiute People. We offer gratitude for the land itself, for those who have stewarded it for generations, and for the opportunity to study, learn, work, and be in community with this land. We encourage everyone in this space to engage in continued learning about the Indigenous peoples who work and live on this land since time immemorial, including the Las Vegas Paiute Tribe and the Moapa Band of Paiutes, and about the historical and present realities of colonialism. As one of the most diverse universities in the United States, UNLV believes it is important to recognize and appreciate the use of Southern Paiute land as part of its mission to be a welcoming and inclusive place for working and learning.

What is the purpose of a Land Acknowledgement?

A land acknowledgement recognizes and respects the relationship that exists between Indigenous Peoples and their ancestral and contemporary territories. Additionally, land acknowledgements provide us with the opportunity to explore the impacts of colonization and systems of oppression on Indigenous Peoples. Land acknowledgements do not exist in a historical context or past tense. It is vital to understand the long-standing history that brought us to reside on the land, and to seek to understand our place within that history. Colonialism is a current, ongoing process, and we need to build our mindfulness and understanding of our present participation.
